4. Additional information

Transfer Credit is defined as credit for a VCC course(s) and may be granted based on a successful completion of similar post-secondary courses which overall constitute equal content to course(s) at VCC. A student seeking transfer credit is required to produce the necessary documents (e.g. official transcripts of grades and detailed course outlines in English). Transfer Credit in combination with credits received through Prior Learning Assessment and Recognition (PLAR) will not exceed a maximum of 65% of the total credits of a VCC program.

Transfer credits are eligible towards a VCC program, certificate, diploma or degree. Transfer Credit cannot be awarded for courses used towards program Admissions Requirements.

Please note: The awarding of transfer credit may reduce the number of courses required in a term which may affect eligibility for financial assistance.
